INVITATION TO THE EXHIBITORS AND SPONSORS

We invite Companies, Organizations and Institutions which are directly and indirectly related to the field of Industrial Engineering to honor us with participation at 7th International Symposium on Industrial Engineering SIE2018, with mutual benefits for all parties.

By participating as a Sponsor via Exhibitions, Presentations and Networking you will rise your Company promotion via visibility, identity and activities during all Symposium events, that include Symposium program, social events and exhibitions.

THE PARTICIPANTS

This international symposium on industrial engineering is the 7th event of series of international forums for dissemination and exchange of scientific information in industrial engineering field. The first event was held in 1996. Up to now the symposium gathered together scientists and researchers from 50 countries, to exchange views, opinions, experiences, current achievements and future trends in the field. The proceedings from 2015 contain 80 reviewed papers from more than 220 authors from 19 countries.
